Account unflagged evidence_06/02/2026

From the one and thirtieth day of December, two thousand and twenty-five,
at the twenty-second hour by the reckoning of Taiwan,
unto the eighteenth day of February, two thousand and twenty-six,
at the twenty-third hour and fourteen minutes,
the Evidence of History hath stood openly published.
The MEasured records of the Nations,
drawn from the appointed platforms,
and preserved by command of **I AM,**
now bear **WitnEss**
unto their own regard —
or their contempt —
for **History.**
Let every Nation therefore examine itself.
